Revenue from voluntary contributions fell by 46.8 per cent compared to the prior year. Voluntary contributions in 2020 were received under Special Accounts, for which revenue is recognized as work is performed and expense incurred in line with the relevant agreement. Due to the impacts of the COVID-19 pandemic, lower than anticipated expenses have been incurred which in turn has reduced the recognition of revenue in 2020. The actual receipt of voluntary contributions in 2020 was more in line with the prior year, totaling 9.4 million Swiss francs compared to 10.1 million Swiss francs in 2019.

Arbitration and mediation revenue of 2.1 million Swiss francs was up by 0.1 million Swiss francs on the prior year, while publications revenue of 0.5 million Swiss francs was 0.2 million Swiss francs higher than in 2019. Other/miscellaneous revenue totaled 0.8 million Swiss francs in 2020, compared to 6.3 million Swiss francs in 2019. The higher amount in 2019 was mainly the result of the reversal of unused provisions for legal costs.
